**Notes:** This statement is produced using generally accepted accounting principals (GAAP Basis). To reconcile the GAAP basis to the basis used for budget purposes (Budget Basis), it is necessary to subtract from the GAAP basis the amount the State of Maine contributes to the Maine Public Employees Retirement System (MEPERS) for employees enrolled in the MEPERS Teacher Retirement Plan. The amounts to be subtracted from both GAAP revenues and GAAP expenditures for the fiscal years ended June 30, 2009, 2008, 2007, 2006, and 2005 are \$3,100,000, \$3,022,000, \$2,612,000, \$2,844,000, and \$2,474,000, respectively.

Certain expenditures have been reclassified for comparative purposes. Debt Service includes School obligations, which, for budget purposes, are included in the Education expenditures. Expenditures for certain school improvements are recorded as expenditures of a capital improvement fund. Beginning with the 2008 fiscal year, certain expenditures previously categorized as "General Government" have been included in other functional categories.

**Social Security and Medicare:** Brunswick voted to extend Social Security benefits to eligible municipal employees in 1959. Again, in 1963, the Town voted to provide coverage for police officers; full-time firefighters are still not covered. This appropriation is to match the employee contributions. The contribution rate is 7.65% . Costs are split into two accounts to meet federal requirements: 6.2% to Social Security and 1.45% to Medicare.

**Maine Public Employees Retirement System:** Brunswick joined the Maine Public Employees Retirement System (formerly the Maine State Retirement System) as a participating district on July 1, 1950. The Town's contribution rate is established annually by an actuarial analysis. Employees contribute 6.5%. Effective July 1, 2009 the firefighters and police will be in new plans that provide better retirement benefits. The contribution rate for firefighters will increase to 8%.

**Health Insurance:** Effective May 15, 1962 the Town began contributing a portion (50%) of the premium of a special group health plan for municipal employees (Blue Cross-Blue Shield). Effective June 15, 1965 major medical coverage was added. The Town's share is 85%. The employees' share is 15%. There are approximately 133 participating employees covered. The Town purchases group health insurance through the Maine Municipal Association Employees Health Trust. The increase in the cost of health insurance fluctuates greatly from year to year. On January 1, 2010 Brunswick's rate increased by 8.93%.

**Health Insurance Buy-Back:** The Town provides compensation to those eligible who elect not to participate in the Health Insurance plan. Approximately 23 employees participate in Buy-Back.

**Life Insurance:** Brunswick adopted the Maine State Group Life Insurance Program in 1956 for the benefit of employees wishing to participate. At present, the Town pays only the cost of insurance for certain retired employees. The municipal contribution rate is determined annually on an actuarial basis.

**Medical/Dependent Care:** The Town offers employees the opportunity to participate in medical reimbursement and dependent care reimbursement programs. This represents administrative and other Town costs associated with these programs.

**Deferred Compensation:** The Town matches up to 6% for employees who contribute to the 457 Deferred Compensation Plan and who are not enrolled in the Maine State Retirement System.

**Rental of Facilities:** Funds are used to provide parking spaces for employees at the Municipal Center to free up parking in the Bank Street parking lot.

This account budgets for the removal of snow and ice and the spreading of sand and salt on public streets, sidewalks and parking areas. Costs may vary considerably from year to year depending on winter conditions. Expenditures in the Overtime Account depend on the number and timing of storm events during the winter. Rental of Equipment is to hire outside contractors for the East Brunswick/Jordan Avenue contract, the Meadowbrook/Parkview/Greenwood contract and to haul snow. The Town has twenty total snowplowing routes; it hires contractors for six.

This budget reflects contracting all rubbish collection activities. This budget also includes funds to pay for solid waste disposal. The Town established an enterprise fund to account for costs associated with its landfill operations. Effective July 1, 2004, the Town became a customer of that enterprise fund and pays a per ton disposal fee for all residential waste the Public Works Department's contractor delivers to the landfill.

This appropriation covers the needs of all persons in Brunswick who are in need of financial relief and also covers the administrative expenses of the Town related to welfare, general assistance and human services.

Brunswick handles each case with an active referral system and a workfare program, the combination of which results in significantly lower costs for the municipality and higher levels of assistance for the clients.

The Curtis Memorial Library is managed by the Brunswick Public Library Association, a private association founded in 1883. The building that houses the library is owned by the Town of Brunswick. The amount budgeted here is the Town of Brunswick's contribution to the Association for its operations. The Town also provides funding through its insurance budget to insure the building, its contents and the library's overall operations. Additionally the Town provided a major portion of the funding for the renovation and expansion of the building.
