Winter Excursions is an extension of our traditional Cross Country Ski program!

The class is designed to get kids outdoors while discovering some of the great trails Brunswick has to offer either on foot or by cross country ski! When snow is on the ground and conditions are favorable, cross country skiing will be the plan—When conditions don't allow for skiing and as the Springtime weather approaches, participants will walk, hike, jog, or run the trails. No matter your child's fitness level or preferred pace, all are welcome to join in this expedition throughout local parks and nature preserves! Emphasis will be on enjoying the outdoors and providing a safe opportunity for children to interact with peers during the pandemic. Participants will receive communications prior to each week/class in order for families to prepare for that week's or that day's adventure!

Coach Holly Greene, a local educator who has been leading our program the last ten years will bring her energy and enthusiasm to the program once again! She will be assisted by Carmon Parker. The class will utilize local trails and ski locations, such as **Kate Furbish East and Kate Furbish West; Woodward Point Preserve, Crystal Springs Preserve, Cox Pinnacle, Bunganuc Preserve, Brunswick Bike Path, Neptune Woods and/or Chase Reserve.**

We will follow all Covid-19 mitigation protocols that are in effect at the time of the program.

The Parks and Recreation Department encourages individuals with disabilities to register for this program. Should you desire further information, contact the Recreation Department at 725-6656.
