APPLICATION FOR ENTRANCE

Application No.: _____

Page Two

**Describe Proposed Entrance(s) on Sketch Below
or Attach Sketch or Plan to This Application**

Show proposed entrance locations, width and arrangement; distance between entrances; setback (from edge of traveled way) of buildings, gasoline pumps, etc.; location of existing culverts, pipes, catch basins or manholes, curbing, gutter, and sidewalks; and the location of proposed culverts, ditches, curbing, and sidewalks.

Check here if sketch or plan is attached. Please reference the sketch or plan to this application.

Notice To Applicant

1. This form is an application only & no entrance work is to commence until the Entrance Permit has been issued. A separate application is required for each new, altered or relocated entrance.
2. No excavation work is to commence until DIG SAFE and all underground facility operators have been duly notified of the work 3 business days in advance in accordance with the current State of Maine statutory requirements.
3. All work must conform to the requirements of the Entrance Permit and Chapter 14, Section IV of the Municipal Code of Ordinances.
4. ***Fee per Entrance Application:*** \$50.00 application fee for each new or altered entrance to serve a single family dwelling, \$75.00 application fee for all other new or altered entrances serving other than a single family dwelling.

Statement of Agreement

I am duly authorized to execute this application and have reviewed and will comply with the above. I further agree to comply with all requirements of the Entrance Permit and agree to pay any subsequent charges which may become due as a result of my failure to comply with any of the permit requirements.
